

THE AVON VALLEY SCHOOL & PERFORMING ARTS COLLEGE

Dear Parents and Carers,

Subject: Important Reminder Regarding School Uniform

As we get ready to welcome students back into school after the summer holidays, I wanted to send a reminder of our school uniform policy. The uniform plays a vital role in our school community, fostering a sense of equity, unity, pride, and shared identity among our students. It also helps to reduce social pressures and creates a purposeful and disciplined learning environment. We greatly appreciate your continued support in upholding these standards. Please take a moment to check the requirements below to ensure that your child is adhering to the correct uniform at all times, including expectations for shoes, accessories, and hairstyles. Details of the school uniform policy is also available on the school website:

<https://www.avonvalleyschool.uk/parents/school-uniform/>

There are only two compulsory branded uniform items plus the school tie:

- AVS school blazer
- AVS PE polo shirt
- AVS school tie

These items, along with the school tie, are available from our uniform supplier, *Webb Ellis*.
<https://www.webb-ellis.co.uk/schools/secondary-schools/avon-valley-school/>

School ties can be purchased directly from school at a cheaper cost.

All other uniform items – including black trousers, white shirts, navy PE shorts and other basics – may be purchased from any retailer, allowing parents greater flexibility and the potential to make savings.

We would also like to clarify the following:

- **All students** are permitted, regardless of gender, to wear black tailored trousers.
- A branded school skirt option currently remains available from our supplier for any student who prefers to wear one. No other skirt options are permitted.

Students will be permitted to wear any *all-black leather-look footwear*. This change provides parents with more choice when shopping for reasonably priced and more durable footwear, while still ensuring students present a smart and consistent appearance.

While the vast majority of our students wear their uniform with pride, we will be proactively addressing any uniform issues to ensure consistency across the school. Our approach will be as follows:

- **First Instance:** Any students wearing incorrect uniform will be asked to change. We have a supply of spare uniform in school that students can wear for the day. Students will be given a clear reminder to correct the issue immediately.
- **Persistent Issues with Uniform:** If the uniform is not corrected or if a student is unable to do so, we will contact you to ask for your support.
- **Repeated Non-Compliance:** We believe in a consistent approach. Any student who repeatedly fails to meet our uniform expectations, even after being given a reminder and support, will be subject to our behaviour policy, and sanctions may be applied.

We are fully aware that meeting the costs of school uniform can be a challenge for some families. Please be assured that we are here to offer support. If you are experiencing any difficulties, or if you need assistance in ensuring your child is in the correct uniform, please do not hesitate to contact your Head of Year, or Pastoral Lead. All inquiries will be handled with the utmost discretion and confidentiality.

Thank you again for your cooperation and continued support. By working together, we can ensure every student feels a sense of belonging and is ready to learn and succeed.

If you have any questions or need further clarification, please do not hesitate to contact the school.

Yours sincerely,
