

THE AVON VALLEY SCHOOL & PERFORMING ARTS COLLEGE

12th March 2026

Dear Parents and Carers,

RE: Year 11 Core Subjects Revision Evening – Thursday 26th March

As we approach the final stretch of the academic year, we are pleased to invite you and your child to a dedicated Revision Launch Event on **Thursday 26th March**. This evening is designed to provide both students and parents with the practical tools and confidence needed to navigate the upcoming exam season successfully.

The event will focus on the three core subjects: **English language, maths and science**.

The evening will start at 5.30pm with a welcome drink and cake in the school canteen. Students and parents/carers will then move to the workshops. There will be a rotation of 3 20-minute workshops.

During these sessions, our subject teachers will share strategies for revision and provide opportunities for students to participate in revision activities. We believe that by attending together, parents and carers will be better equipped to support effective revision at home.

Booking Information: Places are limited. This is a ticketed event, and bookings must be made via the link below. Please ensure the booking is made in the **name of your child**.

Book your place here: <https://www.ticketsource.co.uk/avsopenevening/t-lngjeod>

We look forward to seeing you there and working together to support your child's success.

Kind regards,

David Pearson, Deputy Headteacher
Louise Harris, Faculty Leader for English
Jon Patton, Faculty Leader for maths
Guy Massey, Acting Faculty Leader for science

Newbold Road, Rugby, Warwickshire CV21 1EH
Headteacher: Blake Francis Bsc Hons, PGCE, NPQH
