

THE AVON VALLEY SCHOOL & PERFORMING ARTS COLLEGE

14th September 2026

Dear Parents/Carers,

World Challenge Trip to Tanzania - Register for the Information Evening

We are extremely excited to announce an incredible opportunity for students in the current years 8, 9 and 10, to take part in a World Challenge trip to **Tanzania** for 2 weeks in **Summer 2028**. The trip will be led by myself, alongside World Challenge, the leading provider in school expeditions and student development experiences.

A World Challenge trip is a game-changer for your child's future. Instead of just following along, students take the wheel: managing cash budgets, navigating itineraries, and leading the team. They'll gain the confidence, resilience, and hands-on leadership experience needed to stand out on any university application or job interview.

"As a graduate recruiter, I look for candidates who have gone above and beyond academic and sporting achievements, those who have dealt with real people, taken on responsibility or had experiences that make them stand out. From every angle, as a pupil, a leader and now an employer, I can say that a World Challenge Expedition genuinely sets young people apart from the crowd." Tim Shaw – Investment Director

Students will fundraise for this trip over the next two years. During the information evening, Suzy from World Challenge will talk about the support provided from both World Challenge and Easy fundraising. Thousands of students raise the full amount for the trip themselves and we will share some recent examples from students who travelled this summer.

Where can I find more information?

Suzy from World Challenge will be hosting a virtual information evening on **Tuesday 22nd September at 6pm**. Please use the link below to register for this online event – <https://weareworldchallenge.com/trips/ehgwhem/>
